**LETTER OF DIRECTION**

WITH REGARD TO THE DENTAL PRACTICE OF:

Dr. \_\_\_\_\_

May this document serve as good and sufficient notice to my family and /or Executors that, in the event of my death or disability which renders me unable to operate my dental practice, I hereby instruct you to arrange for the immediate appraisal and sale of my dental practice.

This service will be performed by ROI Corporation, Professional Practice Appraisers and Brokers, 1155 Indian Road, Mississauga, Ontario, L5H 1R8, (905) 278-4145.

ROI Corporation is to be engaged to perform their services of practice Appraisal and Brokerage at their usual fees and in their customary manner.

ROI Corporation will make their best efforts to arrange for a compatible Locum to operate my practice until the day of closing of the sale. The Locum will be contracted by means of a standard Locum Agreement, which will include a provision for NON-Competition and NON-Solicitation for the protection of my practice goodwill.

I understand that should it be necessary to sell my practice immediately, an Appraisal is to be updated or performed as quickly as possible and I instruct my family and/or Executors to provide all relevant information required by ROI Corporation in a timely manner. I understand that my practice will be advertised for sale to obtain its highest possible value for my estate or me.

I have executed this document today in duplicate in the presence of a witness and I have sent one copy to ROI Corporation and/or my Lawyer and a second copy is kept with my will.

Signed this \_\_\_\_\_ day of \_\_\_\_\_, 201\_\_.
