ROI Corporation is excited to be hosting our in-person Grand Open. We would like to extend an invitation to all parties interested in purchasing a practice to attend this exclusive event. A full complement of ROI Associates and key industry stakeholders will be available to discuss current market trends and upcoming listings.

Whether you are in the market for a second or third practice, or simply looking to understand how the sale process works, they will be there to answer your inquiries and help you gain an understanding of what to look for in a potential practice.

This is an excellent opportunity to review and assess ownership options. We promise expert industry insights and assistance in identifying the correct opportunity and best practises to effectively position purchasers for a successful close. Our goal is to facilitate illuminating discussions between our attendees and industry insiders. It is ROI Corporation's unwavering commitment to establish the next generation of owner dentists across Canada and set them up for success.

As guests arrive, our industry experts will be assembled and ready to engage in informal discussion with attendees.
